EVENT ORGANISER CANCELS SEPTEMBER 12TH -14TH CONCERTS

Friday 22 August: Three concerts scheduled for the weekend of 12th-14th September at Bowood (between Calne and Chippenham) have been cancelled by event organisers and promoters, Eastern Breeze.

“The decision to cancel the three concerts at which the Levellers, UB40 and Girls Aloud were to appear at Bowood is sadly due to circumstances beyond our control,” comments James Stewart, General Manager of Visitor Enterprises at Bowood. “We feel extremely sorry for concert goers who were planning to visit Bowood over this September weekend and share their disappointment.”

Bowood advises that any enquiries and ticket refund requests should be directed directly to Eastern Breeze on 0870 842 2230. Any tickets purchased from the House & Gardens Kiosk at Bowood, however, should be returned to the kiosk for a refund.

To date this year, Bowood has enjoyed a highly successful calendar of concert fixtures with high profile names such as Mark Ronson and KT Tunstall performing live, while many will recall the popular appearances of UB40 and Van Morrison this time last year. Planning for 2009 events is underway and will coincide with the opening of the Bowood Hotel, Spa and Golf Resort next May.

Bowood House & Gardens’ 2008 season runs through to Tuesday 4th November and those interested in the various upcoming attractions and other reasons to visit - including Jason Donovan’s appearance at Wiltshire Crimestoppers Family Funday on Sunday 31st August - should visit www.bowood.org.
